UNDER BENCH ROLLER

The Sunline Bench Roller is a modern, durable, high end backyard feature, manufactured from the highest quality materials.

The purpose of the Bench Roller is to store your pool cover while adding convenient seating to your pool area. By practicality integrating a regular roller into a modern seating solution, this useful accessory now adds effectiveness to your pool area.

This trouble-free system is designed for convenience that can effortlessly be operated to store and utilize your sunline pool blanket.

- Large range of custom powder coating surfaces available
- Fitted with 90 degree Gear Drive for easy operation
- Modern, non-intrusive design to complement all outdoor areas
- Large range of sizes available
